**Public Letter of Reprimand**

On June 22, 2017, the Illinois Department of Financial and Professional Regulation Division of Professional Regulation issued a Consent Order whereby you were reprimanded, fined \$10,000 and required to complete an ethics and boundaries assessment examination. The Illinois Department of Financial and Professional Regulation Division of Professional Regulation found that at Rush University Medical Center, you completed and signed your Postgraduate Training verification using the program director's signature stamp without the program director's direct knowledge or permission.

These actions constitute a violation of California Business and Professions Code sections 141(a), 2234 and 2305.

Pursuant to the authority of the California Business and Professions Code section 2233, you are hereby issued this Public Letter of Reprimand by the Medical Board of California.

  
Kimberly Kirchmeyer  
Executive Director
